

Datto® is the leading provider of comprehensive data backup, recovery and business continuity solutions, with nearly two million customers and 8,000 partners worldwide.

With its Total Data Protection Platform business data is protected everywhere it resides, whether on premise, in virtualized environments, in the cloud, and software-as-a-service (SaaS) applications including Salesforce, Google Apps, and more. Datto stores over 100 petabytes of cloud data worldwide for businesses ranging from Fortune 500 enterprises to small businesses.

Datto's core technologies such as instant virtualization, Screenshot Backup Verification™, Inverse Chain Technology™, Backup Insights™, and end-to-end encryption are the cornerstones of its innovative solutions. Industry firsts also include 24/7/365 in-house tech support and time-based cloud retention, that empowers its partners with predictable cloud billing. The Datto product line consists of the Datto SIRIS Family, Datto ALTO Family, Datto NAS and Datto Backupify.

Founded in 2007 by Austin McChord, Datto is privately held.

Datto was honored with numerous industry awards 2014, including:
